

Kerry Local Creative Youth Partnership at Kerry ETB reaches out to community-based settings to collaborate on projects that are creative in nature and prioritise child and youth participation.

Creating access for children and young people to express their right to be creative is a priority within the programme. Reaching out to areas that are underserved, marginalised or to groups of children and young people in need of support is a significant feature of the work.

Strategic Goals

Build sustainable partnerships

Listen and be guided by young voices

Embrace creative activity that is inclusive and rights-based

Ensure quality and visibility in the work of the LCYP
